

Visitor Procedures

Arizona State Law mandates that all visitors to any campus, including parents must check in at the school offices before entering the classroom areas.

All visitors are required to check in at the front desk and provide their government issued identification card. AZACS uses Raptor Technologies to perform a background check on-site before visitors are allowed on campus.

Parents, Guardians, DDD case managers, and other professionals working with a family are welcome to visit their student's classroom with prior permission. *Due to the nature of the students served at Arizona Autism Charter School (AZACS), interruptions and distractions in the classroom must be kept to a minimum for all students in the room.*

*All visits must be pre-approved by a member of the administrative team and will be limited to **one 30-minute visit, per appointment. Observations are limited to once per quarter, for a maximum of (4) four visits per school year.*** We are asking that all families wait six (6) weeks into the school year before scheduling visits and observations to give students and staff time to adapt to their new school routines without disruptions. Please contact one of the campus directors to make arrangements for observations at least **one (1) week in advance of the intended visit.**

All visitors must report to the front desk to sign in and receive a visitor name tag. Visitor identification and signed Release of Information Form will be requested at that time if a person other than the parent/guardian is observing. Visitors will also be asked to sign a confidentiality agreement. An AZACS staff member will accompany the visitor to the classroom or observation hub. All visitors must sign out at the front desk when leaving the school facility. For the safety of all students, there are no exceptions to this requirement.

Groups of visitors (more than two (2) persons) will be asked to visit the classroom at separate times. AZACS requests that siblings or small children are not brought along during scheduled visitations.

Visitors to the Main Campus will be escorted to the observation hub for the complete time of the observation. Visitors to the Early Learning Center or West Valley will observe through the classroom glass or in the classroom. Teachers and therapists are not able to take instructional time to discuss class events, procedures, or student matters with visitors. It is recommended that a second visit is arranged *before or after* school with the teacher and/or the therapist to discuss the visitor's observations.

School administrators, or persons acting in their absence, are authorized to refuse entry to the school to persons who do not have legitimate business at the school or do not have proper signed documentation. Any person or persons engaging in unacceptable conduct will be asked to leave the school grounds.

Parent Observation Protocol
