

Exclusions and Exemptions Instructional Agreement for Students with Chronic Health Conditions

An Instructional Agreement shall be designed to provide continuing learning for pupils with chronic health problems while they are absent from school and to provide for the integration of pupils with chronic health problems into the regular education program as much as possible. This Agreement shall include provisions for:

1. Homework availability to ensure that pupils with chronic health problems have the opportunity to keep up with assignments and avoid losing credit because of their absence from school.
2. Flexibility in physical education activity requirements so that pupils with chronic health problems may participate in the regular physical education program to the extent that their health permits.

The parent/guardian, teacher, and school administrator shall meet within 15 days following the return of the medical certificate.

The teacher/s will provide homework and contact with the student during absences for the school year as follows:

The parent/guardian agrees to return completed schoolwork to the school for absences during the school year as follows:

These physical limitations may affect physical education activity so the following accommodations will be provided so the student may participate in the regular physical education program to the extent that their health permits:
