

To AZACS Families:

All of our teachers are valued members of the faculty at Arizona Autism Charter Schools, Inc. Regarding the certification of our AZACS teachers, charter schools in Arizona are not regulated by Arizona's certification standards. Given this, some teachers may not meet the state's Appropriate Certification requirements.

The AZACS staffing model includes classroom teachers overseen by certified professionals such as Campus Directors and Assistant Directors, Instructional Coaches, and Special Education Certified Teachers to ensure compliance with IEPs and Special Education laws.

Additionally, classrooms are supported by behavior specialists and/or paraprofessionals to assist with the academic and behavioral growth of our students. This robust team ensures all our students at AZACS receive a quality education.

Each parent has the right to request information about the qualifications of the classroom staff working with their child. If you would like to receive this information, please contact your school's office team or your Campus Director.

Thank you, and please feel free to contact me at MGoyne@autismcharter.org with any questions.

Sincerely,
