Total: 22					

Eligible students who do not complete their required 22 course credits by the end of 12th grade will be allowed to continue in P.I.E.C.E. Academy. In the academy, students will continue to work toward required course credits as well as post-secondary transition activities as part of their I.E.P. Students who do not earn the required credits in each area may age out of the program the year in which they turn 22.
